Welcome to Mykonos Island

Mykonos is probably the most famous island in the Eastern Mediterranean, and certainly the most famous among the Cyclades, due to the variety of choices it offers its visitors.

Whether you need adventure and wild partying throughout the night, or relaxed holidays under the sun and dives into the crystal clear blue waters of the Aegean, you will find your needs fully satisfied in this small earthly paradise.

Mykonos maintains the same diversity in its many beautiful, golden sand beaches, spread out in all directions and locations.

Welcome to Mykonos Town

Mykonos town, "*Chora*", has achieved an amazing balance between tourism-related activities and the preservation of its very picturesque characteristics. Its houses, under the glaring Aegean sun, resemble a cluster of white grapes, with tiny strokes of blue here and there. Wooden doors and window shutters painted in all shades of the Aegean blue, back streets blooming with balconies bursting with flowers, proudly standing windmills, a multitude of chapels, all that, and much more, capture the visitors' senses from the first moment .
